Music & Additional Lyrics by Mike R Schuster

**G** **C**  
O troubled heart, don't be afraid  
**G** **D**  
In the Lord your God, let your hope be stayed  
**G** **C**  
He will hear your cry and will give you aid  
**G** **D** **G**  
Whate'er your cross may be

**G** **C**  
O troubled heart, though your foes unite  
**G** **D**  
Let your faith be strong and your armor bright  
**G** **C**  
You will overcome through His power and might  
**G** **D** **G**  
And more than conqueror be

**G** **C**  
He is able, more than able  
**G** **D**  
He is able to deliver You  
**G** **C**  
He is able, more than able  
**G** **D** **G**  
Yes, my God will see you through

**G** **C**  
O troubled heart, when your way is drear  
**G** **D**  
He will rescue you and dispel your fear  
**G** **C**  
In your greatest need He is always near  
**G** **D** **G**  
To Him all glory be
