

Fill Me

- Cassie Finley-Jones
& Mike R Schuster

There's a hole in my heart
That only You can fill
In the shape of a cross
According to Your will

Fill me, 'til my heart overflows
With a love that I'm yearning to know
Fill me, as my faith in You grows
With contentment and peace in my soul
Fill me. Fill me.

There's a stain on my heart
From my humanity
Lord, wash it away
And complete Your work in me

Fill me, 'til my heart overflows
With a love that I'm yearning to know
Fill me, as my faith in You grows
With contentment and peace in my soul
Fill me. Fill me.
