Words & Music by

**A**  
It's been a long hard week, Lord You know  
**E**  
Sometimes we get discouraged on this road  
**D E A**  
And all too often we try to go it alone  
**A**  
Where two or three are gathering in Your Name  
**E**  
You promised you'd be with us. We believe  
**D E A**  
There's still something special about getting together on Sunday

**A**  
It's Sunday lift your voice and sing  
**F#m**  
To worship our Father and our King  
**D E**  
Come on, let's celebrate  
**A**  
The one day we gather in this place  
**F#m**  
Your children, nothing can replace  
Tag → **D E A**  
Standing here together as sisters and brothers on Sunday

**A**  
It always builds us up when we start our week  
**E**  
To join our hearts in praise, to pray and seek  
**D E A**  
Your will to guide us as we feed on Your Word  
**A**  
We want to live our lives in worship everyday  
**E**  
Walking close beside You, come what may  
**D E A**  
But Lord we're thankful when we get to get together on Sunday

**CHORUS** **F#m E D E** **CHORUS + Tag**  
I've been waiting all week long...
