

We Lift You High

(Higher and Higher)

Music & Lyrics by

Jennifer Jade Kerr, & Mike R Schuster

Here is the church, here are her people
Gathering here, with hearts that are grateful
For You alone are worthy of all we bring
We celebrate, we come to worship
All that You are, all that You've done, and
How could we sing, and lift any other name?

Glorious, Risen Son
Strong and Righteous One
Lord of earth and sky
We lift You high, oh Lord, we lift You high

Here in Your house, we know You are present
Bring us to life, to move in Your Spirit
Hearing Your voice, following in Your way
We raise our hands, crying out "Holy"
We raise a song, to honour You only
We stand and agree – You're worthy of every praise

CHORUS

Higher and higher, we lift You higher and higher
We lift You higher and higher, we lift You high
Higher and higher, we lift You higher and higher
We lift You higher and higher, we lift You high

CHORUS
